VAIO E

Make Everyday Feel Special

VAIO E Series design balances personality and simplicity, for a look that fits your interior as well as your lifestyle, everyday. Glossy or matte, vivid or basic colours, the choice is yours. What's more, its large Full HD screen* and ample performance let you use it in comfort no matter which room you're usingit in. Wireless connection means you can easily link to the Internet and accessories. Advanced sound technologies give you a home theatre experience. Enjoy it all, in your own style.

The 15.5 (39.37 cm) 16:9 LCD screen strikes a perfect balance between viewability and easy handling. It offers up ample space for Web surfing and gaming. The way you enjoy VAIO E Series is up to you, but no matter which room you take it to, you can always count on a beautiful view.

*Available Only with VPC-EB16FG

Active Design, Vibrant Colours, Personal Choice

VAIO E Series features a transparent design finish that gives a sense of depth, and gradient colour patterns that add richness to the simple shape of the unit. A choice of glossy and matte finishes is available. It's easy to enjoy VAIO E Series. Its full key-pitch isolation keyboard offers comfortable typing, including a handy numeric keypad. And with easy-to-use direct buttons to launch VAIO Care, Media Gallery, as well as the enhanced Quick Web Access function for almost instantaneous web browsing, you'll be enjoying VAIO E Series to the fullest in no time.
